Structure of Presentation

- Structure and IMO's role in CM
- Purpose of M&SS Trust Fund
- Contributions and disbursements
- Project under CM

Development of the CM

C/ES 24 (November 2007) considered outcome of Singapore Meeting and:

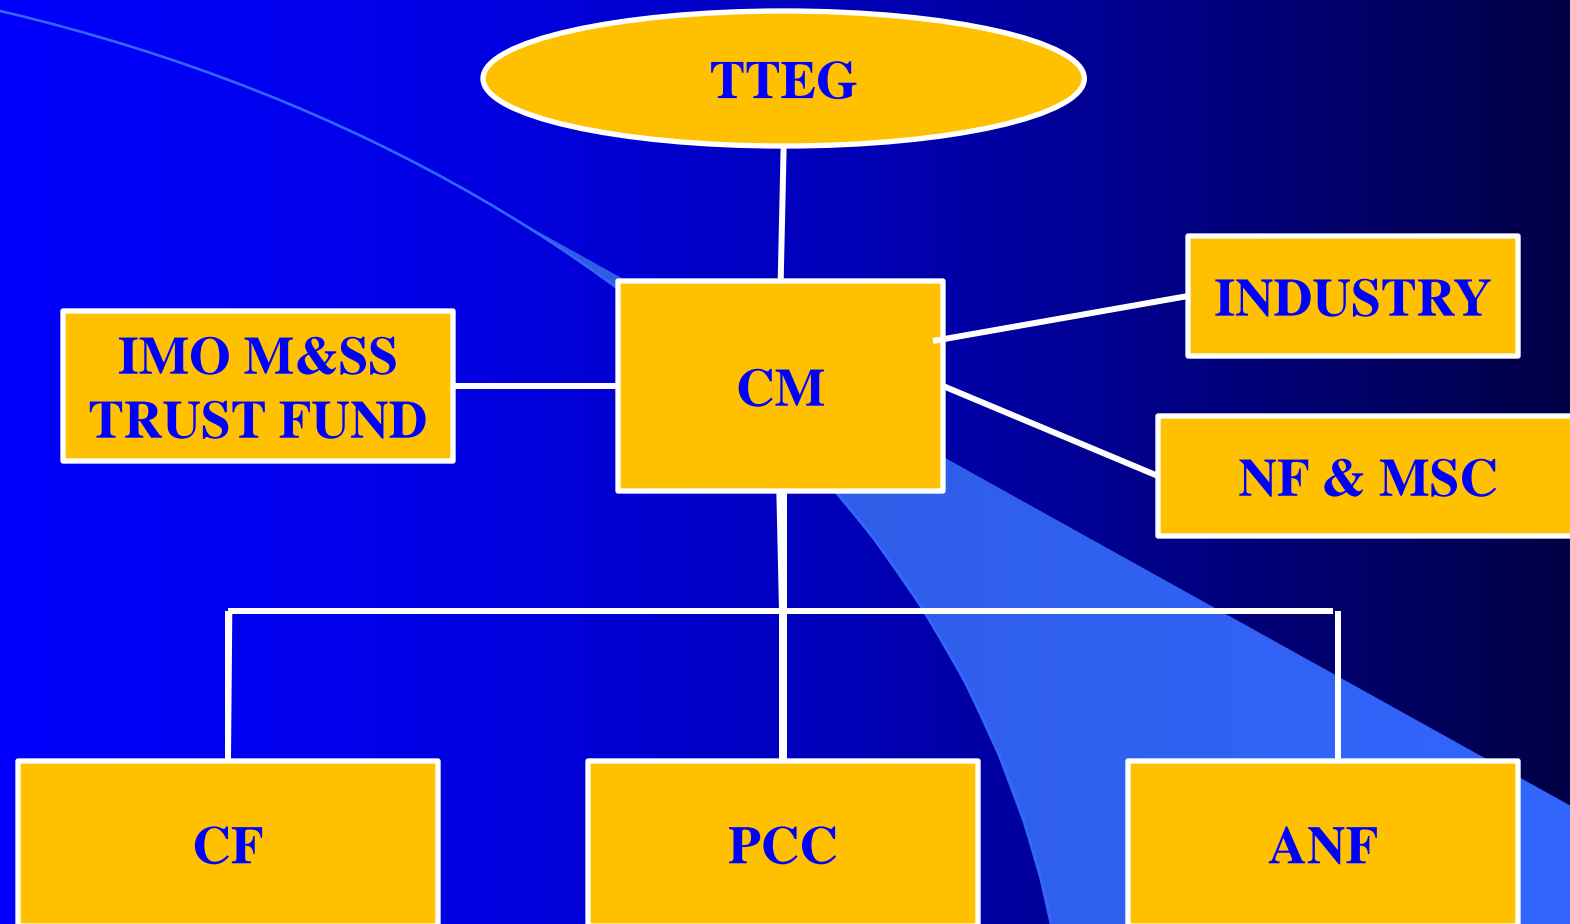

- **Agreed IMO should contribute to implementation of CM**
- **Authorized S-G to:**
 - **assist in attracting sponsors for projects**
 - **promote financial contributions for AtoN**
 - **continue the work on the protection of vital shipping lanes**

IMO Role in the CM

Pursuant to C/ES 24 decisions, IMO's role in the CM varies subject to situation and respective component:

- **CF: IMO as observer with advisory function, representing IMO Member States' interests and guiding on IMO matters of purview**
- **PCC: IMO either as observer or, if IMO Fund contributes to projects, as sponsor and member**
- **ANF: IMO either as observer or, if IMO Fund contributes, as sponsor and member of ANF Committee**

Structure of the CM

IMO M&SS Trust Fund

- Greece pledges US \$ 1 Mio at A 25 (2007)
- 3 Littoral States endorse S-G plan for IMO M&SS Trust Fund
- Consulting other stakeholders on contributions
- Establishment of IMO M&SS Trust Fund
- C 100 (June 2008) agreed for IMO Fund to contribute to projects and components under the CM

IMO M&SS Trust Fund

Purpose of IMO Fund:

- Not in competition with CM components
- Complementary to funds established under CM
- JTA provides interface between CM and IMO Fund
- Following signature of JTAIMO Fund provides funding to projects to facilitate their progress and to ANF

IMO M&SS Trust Fund

Contributions received in US\$

Year	Country/Organizations	Amount
2008	Greece	1,000,000
2009	China	100,000

2012	Project 1.1	4108

Total IMO M&SS Trust Fund in US \$

Current Grand Total 1,257,510

Projects under CM – Status and MEH Relevance (1)

- **Project 1 :** Determination of risks and removal of wrecks.
Awaiting final results from MEH hydrographical survey;
potential interest by India, Germany and US
- **Project 2:** Response to ship-source HNS pollution incidents.
Some overlap with MEH project; IMO prepared ToR; needs
assessment by US; supported by Australia, EU, China & US;
HNS database and decision support system in place –EU
IMO Fund to facilitate implementation
- **Project 3:** Trial of AIS Class B transponders for small ships
Some overlap with MEH project; support by Australia,
Japan, RoK & IMO;
IMO Fund covered costs for 20 transponders

Projects under CM – Status and MEH Relevance (1)

- **Project 4:** Tide, current & wind data collection & processing. Some overlap with MEH project; support by Australia, China India & US; additional gauges from the MEH be included in the project
- **Project 5:** Replacement, maintenance and repair of 51 existing aids to navigation.
Principle relevance to MEH project; establishment of AtoN Fund; support by Japan; RoK, UAE, MENAS, MSC & NF; assessment survey conducted; cost estimates prepared
- **Project 6:** Support towards a Concept study on feasibility of establishment of Emergency Towing Vessel Service (ETV)
Completed

Future CM - MEH Relationship (1)

- MEH – supplementary / complimentary
- MEH for voluntary participating ships receiving additional services (against contribution)
- Co-operative (- and Funding) Mechanism is for all traffic through the Straits – UNCLOS Article 43
- Ultimate objective of MEH Demo Project:
Development of blue print for MEH Full Scale (FS) Project, including Funding Mechanism (FM)

Future CM - MEH Relationship (2)

- **CM could provide structure for MEH – FM**
- **Interface between MEH Demo Project and CM is assured and should be strengthened**
- **MEH-Full Scale Project under CM / CF / PCC ?**
- **Avenue for voluntary contributions under CM by user States / users to be promoted
(Projects; ANF; IMO Fund)**
