

7th Cooperation Forum under the
Cooperative Mechanism on the Safety
Of Navigation and Environmental Protection
In the Straits of Malacca and Singapore
Agenda Item : 3.2

CF7/3
1 September 2014

Update on IMO Malacca and Singapore Straits Fund

Ashok Mahapatra
Senior Deputy Director
Sub-Division for
Operational Safety

Structure of Presentation

- **Structure and IMO's role in CM**
- **Purpose of M&SS Trust Fund**
- **Contributions and disbursements**
- **Project under CM**

Development of the CM

C/ES 24 (November 2007) considered outcome of Singapore Meeting and:

- **Agreed IMO should contribute to implementation of CM**
- **Authorized S-G to:**
 - **assist in attracting sponsors for projects**
 - **promote financial contributions for AtoN**
 - **continue the work on the protection of vital shipping lanes**

IMO Role in the CM

Pursuant to C/ES 24 decisions, IMO's role in the CM varies subject to situation and respective component:

- **CF: IMO as observer with advisory function, representing IMO Member States' interests and guiding on IMO matters of purview**
- **PCC: IMO either as observer or, if IMO Fund contributes to projects, as sponsor and member**
- **ANF: IMO either as observer or, if IMO Fund contributes, as sponsor and member of ANF Committee**

IMO M&SS Trust Fund

Purpose of IMO Fund:

- **Not in competition with CM components**
- **Complementary to funds established under CM**
- **JTA provides interface between CM and IMO Fund**
- **Following signature of JTAIMO Fund provides funding to projects to facilitate their progress and to ANF**

IMO M&SS Trust Fund

Contributions received in US\$

Year	Country/Organizations	Amount
2008	Greece	1,000,000
2009	China	100,000
2009	Germany	50,000
2010	Norway	50,000
2010	Germany (Euro 30,000)	38,193
2010	EC* (Euro 315,000)	421,687
2012	Germany	25917

IMO M&SS Trust Fund

Year	Project	Amount
2009	ANF	50,000
2009	Project 3	24,837
2010	ANF	50,000
2011	ANF	50,000
2011	Project 2	131,640
2011	ETV Study	41274
2012	ANF	50,000
2012	Project 2	511
2012	Project 1.1	4108
2013	Project 1,2,7andANF	293189
2014	ANF	100000

Projects Status

- **Project 1 :** Determination of risks and removal of wrecks.
Awaiting final results from MEH hydrographical survey; potential interest by India, Germany and US
- **Project 2:** Response to ship-source HNS pollution incidents.
Some overlap with MEH project; IMO prepared ToR; needs assessment by US; supported by Australia, EU, China & US;
HNS database and decision support system in place –EU
IMO Fund to facilitate implementation
- **Project 3:** Trial of AIS Class B transponders for small ships
Some overlap with MEH project; support by Australia, Japan, RoK & IMO;
IMO Fund covered costs for 20 transponders

Projects Status

- **Project 4:** Tide, current & wind data collection & processing.
Some overlap with MEH project; support by Australia, China India & US; additional gauges from the MEH be included in the project
- **Project 5:** Replacement, maintenance and repair of 51 existing aids to navigation.
Principle relevance to MEH project; establishment of AtoN Fund; support by Japan; RoK, UAE, MENAS, MSC & NF; assessment survey conducted; cost estimates prepared
- **Project 6:** Support towards a Concept study on feasibility of establishment of Emergency Towing Vessel Service (ETV)
Completed
- **Project 7:** Marine Electronic Highway support
