Oil Waste Collected In The Coastal Line of Batam-Bintan

Note

2019---only till January

IMPACT OF OIL SPILL FROM UNKNOWN SOURCES TO LOCAL COMMUNITY AND LOCAL GOVERNMENT

1. TOURISM

- TOURISTS SHORTEN STAY
- CLAIM TO RESORT OF THEIR OILY STUFFS
- CANCEL THE RESERVATION

2. FISHERY

- A DECLINE OF FISH CATCHES
- USELESS OILY FISHING GEAR

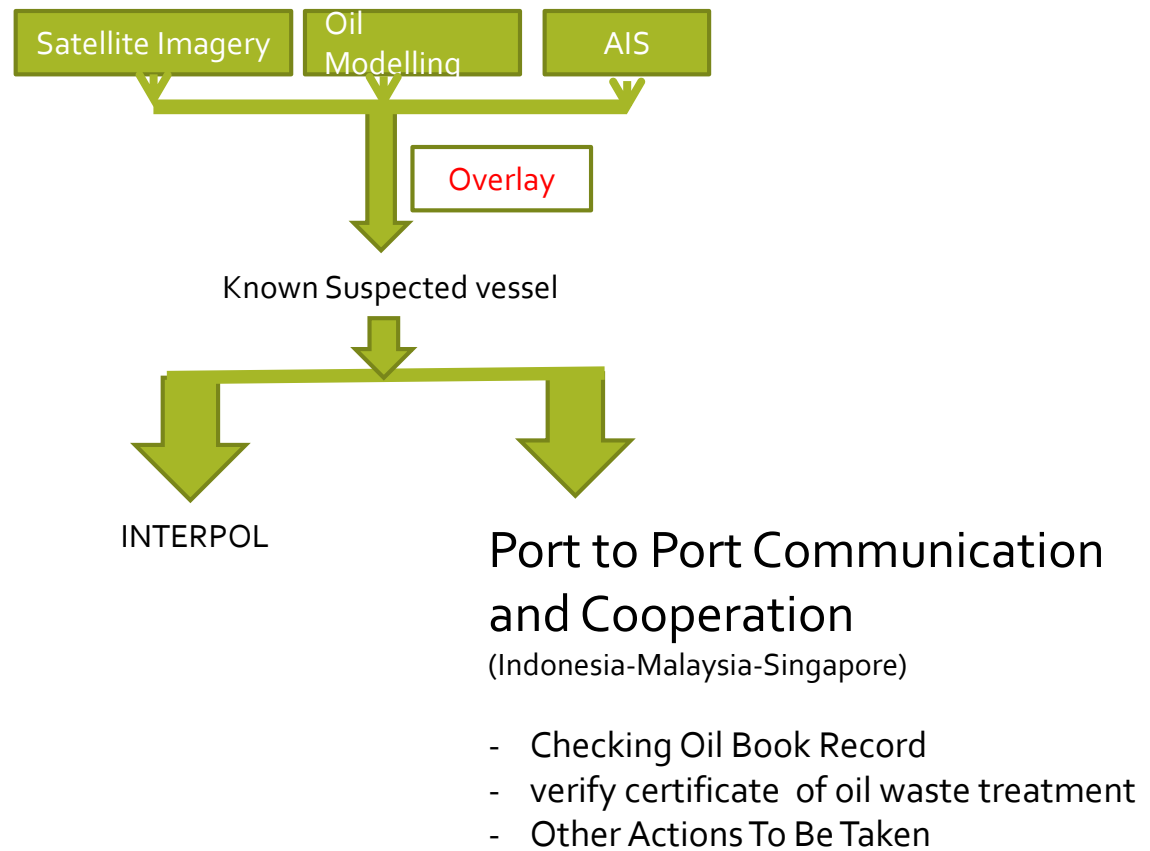

3. GOVERNMENT EXPENDITURES

- CLEAN UP OPERATION
- OIL WASTE TREATMENT

DEVELOP COOPERATION AMONG THE LITTOLAR STATES (PROPOSAL)

1. Develop Mechanism To Combat Illegal Discharge of Oil in Malacca Straits
2. Illegal Anchoring
3. Offline AIS
4. Oil book record checking at port including tank cleaning monitoring
5. Apply Port waste management system
6. Outside Port of Limits (OPL)
7. Public Awareness and Information exchange

Mechanism

THANKS
